Clive Room, 6.30 for 7.00 pm

Guest Speaker: The Lord Lee of Trafford DL, FCA – WHGS 1948-1960
'Anecdotes from a Political Journey'

Dear Old Hulmeian

March 2013

For the 2013 Biennial O.H. Dinner we are having a change of venue. The East India Club will be our host.

Our speaker will be Lord John Lee who started at WHGS's Preparatory Department in 1948 and left the main school in 1960. He became an accountant working at an investment company and Emerson Developments. He then took the Nelson and Colne seat for the Conservatives from 1979 to 1983, holding numerous appointments as P.P.S. and ministerial appointments in industry, defence, employment and tourism. In 2006 he was raised to the Lords as Baron Lee of Trafford, of Bowdon, in the County of Cheshire. He sits as a Liberal Democrat.

His local appointments in Manchester include being Chairman of the Museum of Science and Industry, Chairman of the Christie Hospital NHS Trust and Chairman of Trustees at Withington Girls School. He was High Sheriff of Manchester in 1988-99.

Lord Lee's speech is entitled '*Anecdotes on a Political Journey*'. It promises to be a great evening.

This notice is early because we want to catch the distribution afforded by the Centenary Dinner in Manchester. It is too early to give menu details.

Please note the starting time of 6.30 for 7.00pm; this is to give more time for socialising.

Wine is not included but can be ordered before the meal. It is priced reasonably.

You can take your own wine and there is a corkage fee of £12.

Dress Code: Please note that the East India Club has a strict dress code. Gentlemen – dinner jackets or lounge suits; ties must be worn. Ladies – cocktail and dinner suits, divided skirts, tailored suits but, please, no culottes or mini skirts.

We will not send out acknowledgements but if you are concerned, please feel free to contact me. Some of you may also receive an invitation by e-mail and post.

We very much look forward to seeing you.

Yours sincerely,

Ian Case
